

Cómo leer su factura de servicios públicos

Ya sea que reciba su factura por correo o electrónicamente, esta contiene información importante sobre la energía que consume. Tómese un momento para conocer los cargos, las tarifas y otra información útil que se incluye con cada factura.

Aquí encontrará el **nombre del cliente, la dirección de servicio** y su **número de cuenta**.

¿**Cuánto debe** y **cuándo se vence**? Lo encontrará aquí mismo.

Esta sección de la factura es una excelente manera de **controlar su consumo**. Compare los 12 meses actuales con los 12 meses anteriores y vea su consumo diario promedio. Cuanto más sepa sobre su consumo, mejor podrá planificarlo y administrarlo.

Aquí incluimos **mensajes importantes**. Favor de léalos y comparta la información con sus familiares.

Si **paga por correo**, favor de desprender la parte inferior de la factura y **devuélvala junto con su pago**; colóquela en el sobre de pago provisto.

Understanding Your Bill

For additional information please visit www.LibertyEnergyandWater.com.

Your Monthly Water Use At a Glance

Service Related Charges: This section includes charges for services related to water, which includes fire protection. If applicable, credits and debits for correction to previously billed charges are itemized here. The **Water Service Charge** is a flat amount based on meter size. This basic charge is billed each month whether or not you use water and covers a portion of fixed costs which includes reading the meter, billing and postage. The **Water Usage Charge** is based on how much water you use. It is the purchased power, transmission, and distribution cost related to operating, maintaining, and supplying facilities as well as a capital cost related to upgrading the facilities.

Billing Units: One billing unit equals 100 gallons of water used. If the meter serving your property measures your water use in cubic feet or a different unit of measure, we convert it to gallons to make it easier to understand.

Make Whole Surcharge: New rates were approved in Case 23-W-0235 retroactive to April 1, 2024. The new rates were implemented September 1, 2024. This temporary surcharge charge is to recover revenues from the effective date of approved rates, April 1, 2024, through August 31, 2024.

Charges

System Improvement Charge: Relates to the capital costs associated with improvements currently being made to the water system that are not included in base rates.

RAC/PTR Surcharge: Charge that reconciles the difference between the actual metered revenue, production costs and property taxes versus what the company charges based on the rate order.

TCJA Credit: This credit reflects the savings from the Federal Tax Cuts and Jobs Act and will appear on bills through 3/31/24.

Incremental Property Tax Surcharge: Applies to North Shore (Sea Cliff) District customers for the property taxes in excess of the average property taxes of the Merrick District.

Certain Taxes: Gross receipts, village and metropolitan transportation Taxes are fees the company collects for state and local governments.

Average Daily Use: The gallons (GGL) shown in the graph above represent your average daily water use for the current billing period. Tracking the amount of water you use can help you manage your overall water use from month to month.

Estimated Bill: This occurs when we are unable to read the water meter. Your usage from the same billing period the prior year is used to calculate the estimated bill. The next actual meter reading corrects any over or under estimates.

Payment by Check: Paying by check authorizes Liberty to send the information from your check electronically to your bank for payment.

Returned Check Fee: You will be charged a fee for any checks returned by the bank. The check will be returned to you and will not be redeposited.

Customer Assistance Program (CAP)

The CAP Program offers income-qualified customers a monthly rate discount on their water bill.

Arrears Management Program (AMP)

The AMP Program offers income-qualified customers a one-time payment plan that includes arrears forgiveness. For more details on these programs please visit our website.

Other Information

General Correspondence

Please remember to include your name, 12-digit account number, service address, mailing address and phone number including the area code, on any correspondence to us. Contact us if you have had a change in mailing address or name, or you may be billed even after a move.

Mail to:
60 Brooklyn Avenue
Merrick, NY 11566

Access to Meter: If you are home, please let the meter reader in to read your meter. Employees carry a photo I.D. card and usually are in a blue uniform. Look for the logo in I.D. cards, uniforms and vehicles. In doubt? Call Customer Service to verify. If your meter has not been read for six months, you are subject to a \$25 fee. To avoid this fee, call Customer Service with the reading, or make an appointment for a company reading.

Dispute Resolution

If you have called Liberty and are unable to resolve a dispute, you may call 877-426-6999. If your bill is unusually high, it may indicate that there is a leak in your plumbing. For tips on how to detect leaks and use water wisely, visit us online. You'll find helpful tools under the Water Information menu. Every drop counts!

Your rates and charges are approved by the New York State Public Service Commission. For a copy of the approved tariff for your area, visit www.LibertyEnergyandWater.com.

Medical Emergency (Seniors, Medical Conditions)

Special protections are available. Contact Customer Service for information at 877-426-6999.

Billing Programs

Budget Billing (BBP)/Levelized Budget Billing (LVL)

Allows you to spread out payments over the year, avoiding high and low fluctuations in your monthly bill. The statement will also show the difference between Budget/Levelized Budget Billing and Actual Charges to Date otherwise known as Settlement Amount.

Installment Plan

An extended payment plan where past-due bills may be paid in installments over a specific time period. The statement will also show the remaining Installment Plan amount to be billed.

Aquí encontrará el **período de facturación** y la **cantidad de días incluidos** en esta factura. Normalmente facturamos 30 días de servicio al mes, pero en algunos casos su factura puede incluir desde 28 hasta 33 días.

Utilizamos esta sección de la factura para proporcionar **información adicional** que puede resultarle útil.

energy and water for life

4

Recargo por RAC/PTR

Cargo que concilia la diferencia entre los ingresos medidos reales, los costos de producción y los impuestos prediales con lo que la empresa cobró según la orden de tarifa.

1

Cargo por Servicio de Agua

Monto fijo según el tamaño del medidor. El cargo incluye la lectura del medidor, la facturación y el envío.

2

Cargo por Uso de Agua

Cubre los costos de energía, transmisión y distribución relacionados con la operación, el mantenimiento y el suministro de las instalaciones, así como un costo de capital relacionado con la modernización de las mismas.

3

Recargo por Tarifa Total

Este recargo temporal se utiliza para recuperar los ingresos desde la fecha de entrada en vigor de las tarifas aprobadas (1 de abril de 2024) hasta el 31 de agosto de 2024.
