

## Take Control of Your Bills

We want to help you save. A few small steps could add up to big savings.

**Weatherize your home** - Sealing air leaks around windows, doors, and vents will help save energy and will make your home more comfortable.

**Smart controllers** - Smart thermostats, smart appliances, and smart irrigation controllers all use technology to help you save.

**Look for EPA labels** - When buying appliances, water heaters, electronics, light bulbs, toilets, faucets, shower heads, and more, look for ENERGY STAR® and WaterSense labels. These products are certified by the EPA to use less and can save you money on your utility bills.

## Tips For a Healthy Lawn

Have you ever wondered how much water your grass needs to stay healthy? Experts say one inch of water per week is all it takes! But how long does a sprinkler need to run to apply an inch of water? On average, it takes two to three hours. The following is a good way to check the amount of water applied:

- Place small, straight-sided containers at different intervals in the sprinkling area.
- Catch the water for an hour.
- Measure the depth of water with a ruler (all levels should be the same).

Over watering your lawn can cause shallow roots, nutrient loss, weed growth, and other problems. Install a sensor to measure rain levels and use a water gauge. **Scan the QR code** below to view lawn irrigation guidelines. And don't forget - if it rains, you don't need to water your lawn!

### Congratulations to Our Scholarship Winners!

Liberty New York Water, in partnership with the New York chapter of the National Association of Water Companies (NAWC), awarded seven scholarships to high achieving high school seniors pursuing a college degree in a field related to the water industry. Congratulations to the following recipients:

**Ava Grace Attina**, North Shore High School  
**Joseph Kobrin**, MacArthur High School  
**Christofer McCallum**, Baldwin High School  
**Nolan Tordy**, MacArthur High School

**Everett J. Gamache**, East Rockaway High School  
**Thomas Leake**, Wantagh High School  
**Mackenzie Ryan**, Sacred Heart Academy

An award ceremony was held on May 29 to celebrate these remarkable students' accomplishments.
