Thank You

Be Water Wise! Art Contest

Thank you to all of the participants in our Be Water Wise Art Contest, created to educate customers on the importance of water conservation. The elementary school children that submitted artwork created impactful messages and it was difficult to choose the winners. They all deserve recognition! The selections included in each month of the 2025 Be Water Wise Calendar captured the theme most effectively and creatively. **Congratulations to each winner and all of the participants.** The cover collage comprises the runners up.

Please visit our website at www.libertyenergyandwater.com for water conservation tips, customer support, and a fun kids' corner with activities.

You can also **follow us** on **Facebook** at Liberty – New York Water, where we post NY Water news, fun facts, water conservation tips, and highlight the water related events that you see in this calendar.

Liberty is a diversified energy and water company with more than one million customer connections across four countries.

We are committed to keeping the lights on and water flowing for our valued customers.
