

Conservation Devices

We offer easy-to-use, simple, water saving devices to our residential and commercial customers at no cost. These items offer a variety of features to help you use water efficiently, and they are easy to install on your own using basic tools typically found in homes or businesses (pliers, adjustable wrench, or screwdriver).

The kit contains:

- 1 fixed showerhead
- Sealing tape
- 1 efficient hose nozzle
- 1 soil moisture meter
- 0.5 gph drip emitters
- 1.0 gph drip emitters
- 2 bathroom aerators
- 1 kitchen sink aerator
- Toilet leak detection tablets

These devices are available to current water customers of Liberty while supplies last, and will be mailed to the service address on record. There is a limit of two kits per service address every three years.

For more information visit Libertyenergyandwater.com or email us at Conservation@libertyutilities.com.

*I agree that Liberty may verify the installation of the device(s). I understand that Liberty does not warrant any fixed showerhead, sealing tape, efficient hose nozzle, soil moisture meter, drip emitters, aerator, and toilet leak detection tablets to be free of defects or warrant the quality of the workmanship, and that Liberty is not responsible for the suitability of the premise for fixed showerhead, sealing tape, efficient hose nozzle, soil moisture meter, drip emitters, aerator, and toilet leak detection tablets installation or use.

I further agree to hold harmless Liberty, its directors, officers, and employees against all loss, damages, expense, and liability resulting from any personal injury or loss including, but not limited to, destruction, or damage to property arising out of, or in any way connected to, the installation and/or use of the fixed showerhead, sealing tape, efficient hose nozzle, soil moisture meter, drip emitters, aerator, and toilet leak detection tablets.
