Slide into summer with savings

A few small steps could help you save water, which may also lower your bill.

Monitor your usage with My Account

Track your usage with easy-to-read graphs, helping you better control your usage.

Look for leaks

Leaks are sneaky and can waste a lot of water over a short period of time, adding up to wasted money. Regularly check faucets, toilets, shower heads, and irrigation systems for leaks and repair them to help save.

Water responsibly

Water your yard early in the morning to reduce evaporation, and check that your sprinklers only water the landscape.

Invest in smart tools

Smart thermostats, smart appliances, and smart irrigation controllers all use technology to help you save.

Sign up for Liberty's efficiency programs

We offer a variety of water efficiency programs and resources to help you save.

Visit the "Smart Water Use" section of www.libertyenergyandwater.com or **scan the QR code** to start saving today!
