## Water Quality

### Spring Flushing is Around the Corner

Each spring, Liberty flushes the pipes in our water distribution system. This is an essential part of our system maintenance program, which helps us continue to provide you with quality water service. To learn more about what flushing entails and when we will be in your neighborhood, visit the homepage of [www.libertyenergyandwater.com](http://www.libertyenergyandwater.com). Our Spring flushing schedule will be posted by mid-March.
