

## AMI/AMR Meter Opt-Out Application Form

This application must be completed by customers choosing to opt-out of Advanced Metering Infrastructure (AMI) or AMR. Only residential customers may choose not to have an AMI/AMR meter.

It is important that you understand the costs and conditions of opting out of AMI/AMR metering. If you have not already done so, **please call Liberty at (516) 632-2222 before submitting this application.**

I understand that, by opting-out, I will not receive the benefits of AMI/AMR, including:

- Automated meter readings, which do not require a representative to drive by or visit my home.
- Access to data on my water usage that can help my household to conserve and manage costs.
- Access to leak alerts and high usage notifications.

I understand that, by opting-out, I will need to grant a Liberty representative access to my residence to conduct a manual meter read. I also agree to pay the following charges:

- Upon submission of the opt-out application form, **a monthly fee of \$13.21** for a monthly manual meter read.
- Upon submission of the opt-out application form, **a one-time fee of \$35.22** for removal of previously installed AMR or AMI meter remote communications capability.

Additionally, I understand that Liberty has the right to install an AMI meter at its discretion if the company is **unable to obtain four consecutive actual meter reads**. Alternatively, I may elect to relocate my meter(s) to an accessible area, at my expense.

**Please return this completed form to Liberty at CustomerServiceNYW@libertyutilities.com or 60 Brooklyn Ave, Merrick, NY, 11566.**
