

H₂O CONTROL

Save with Smart Irrigation Technology

Liberty customers that have installed smart irrigation technology have **saved up to 30 percent** on their water usage.

Over **1,770 Liberty customers** have **purchased a smart sprinkler controller** at a discounted price.

And, they are **very pleased** with the results!

Customers are loving Smart Irrigation Technology

"Saved a lot of water and money and the lawn never looked better."

- Thomas from Malverne

"My bill was sometimes almost 3x higher than winter. After I installed, my water bill barely increased in the summer."

- Scott from Hempstead

"Completely wireless, I can run/stop from my couch."

- Jose from Oceanside

Sustaining energy and water for life.
